OUR FINANCIAL POLICY

The following is an outline of “Our Financial Policy”. It is our intention to inform our patients as clearly and completely as possible as to our guidelines of payment for services rendered. It is our hope that openly discussing our financial policy will prevent future financial misunderstandings and allow us to concentrate on providing the highest quality dental care and service to our patients at a reasonable fee.

As a courtesy to you, we are happy to file the necessary insurance forms to see that you receive the full benefits of your coverage, however we make no guarantee of any estimated coverage. Because the insurance policy is an agreement between you and the insurance company, we ask patients to be responsible directly for all charges. Please know that we will do everything possible to see that you receive the full benefits of your policy.

NOTE: PLEASE MONITOR YOUR BENEFITS AND ANNUAL
MAXIMUM.

In order to keep our fees reasonable, **your estimated patient portion is due at the time services are rendered.** Because we cannot guarantee your exact insurance coverage, there may be a balance remaining after insurance payment is received.

We accept cash, checks, Visa or Mastercard. CareCredit and Chase Health Financing are other options for long-term payment plans. Also, we do offer a 5% discount on payments in full on the day services are rendered.

Any returned checks will be billed back to your account with a \$25 service charge. We do not automatically redeposit NSF checks without first speaking to the patient.

Please remember that once an appointment has been made, this time is reserved specifically for you. We kindly request at least 48 business hours notice should you have to reschedule or cancel an appointment.

If you have any questions or concerns feel free to contact our office at (253) 941-6242 or (253) 952-2005.
